God Speaks Your Love Language

How to Feel and Reflect God's Love

Dr. Gary Chapman

[Buy Now](#)

Summary

When you discover your primary love language, the benefits don't stop at human relationships—you'll find that your love for God and from Him is often expressed most strongly in that same language. God's love for you is evident in myriad ways, but if you ever face a dry spell spiritually, it helps to search for God's expressions of love in the form you understand best.

God Speaks Your Love Language will help you feel loved and adored by your holy creator while giving you specific examples of how you can reflect that love back to Him and to other people as well. Once you understand love, it will revolutionize the way you understand life. God really does speak your love language, and this book will introduce you to that fact in a way that will redefine your life and sense of purpose in this world.

Customer Reviews

This book was incredibly logical and thought-provoking, both in how to understand the importance of love languages of others around you, but also how God uses them to help you see His love.

The 5 Languages of Appreciation in the Workplace

Empowering Organizations by Encouraging People

Dr. Gary Chapman and Dr. Paul White

Buy Now

Empowering Organizations by Encouraging People

The 5 Languages of Appreciation in the Workplace applies the love language concept to the workplace. This book helps supervisors and managers effectively communicate appreciation and encouragement to their employees, resulting in higher levels of job satisfaction, healthier relationships between managers and employees, and decreased cases of burnout.

Ideal for both the profit and non-profit sectors, the principles presented in this book have a proven history of success in businesses, schools, medical offices, churches, and industry. Each book (that has not been previously used) contains an access code for the reader to take a comprehensive online MBA Inventory (Motivating By Appreciation)—a \$15 value.

The inventory is designed to provide a clearer picture of an individual's primary language of appreciation and motivation as experienced in a work-related setting. This assists managers and supervisors in communicating effectively to their team members, and thus building a more positive and productive work environment.

Customer Reviews

I can't wait to start implementing the concepts with my team and sharing with my peers to help bring our company culture back to a healthy state!

Simple ways to strengthen any relationship

With more than **10 million copies sold**, *The 5 Love Languages*® continues to transform relationships worldwide. And though originally written for married couples, its concepts have proven applicable to families, friends, and even coworkers. The premise is simple: Each person gives and receives love in a certain language, and speaking it will strengthen that relationship. For singles, that means you can:

- ✓ Understand yourself and others better
- ✓ Grow closer to family, friends, and others you care about
- ✓ Gain courage to express your emotions and affection
- ✓ Discover the missing ingredient in past relationships
- ✓ Date more successfully and more

Whether you want to be closer to your parents, reach out more to your friends, or give dating another try,

effectively. — Gary Chapman

Includes a quiz to help you learn your love language, plus a section on the pros and cons of online dating.

Customer Reviews

This is an awesome book to help people not only have more meaningful and loving romantic relationships, but relationships in all areas (friends, family, children, etc). This is a MUST read for everyone.

From the Back Cover

"I said I was sorry! What more do you want?"

We all mess up. We say and do things we deeply regret and try to make things right. But sometimes "I'm sorry" isn't enough.

Just as we give and receive love in different ways, each one of us also gives and receives apologies differently. This book will show you how to apologize—and receive apologies—in ways that actually work.

In *The 5 Apology Languages*, #1 *New York Times* bestselling author of *The 5 Love Languages*® Gary Chapman partners with Jennifer Thomas to help you say sorry in ways that are profoundly simple and deeply meaningful:

Express regret: "I'm sorry."

Accept responsibility: "I was wrong."

Make restitution: "How can I make it right?"

Plan for change: "I'll take steps to prevent a reoccurrence."

Request forgiveness: "Can you find it in your heart to . . . ?"

Start on the path to healing today and discover how the right apology language can make your friendships, family, and marriage stronger than ever before.

About the Author

GARY CHAPMAN--author, speaker, counselor--has a passion for people and for helping them form lasting relationships. He is the #1 bestselling author of *The 5 Love Languages* series and director of Marriage and Family Life Consultants, Inc. Gary travels the world presenting seminars, and his radio programs air on more than 400 stations. For more information visit his website at www.5lovelanguages.com.

JENNIFER M. THOMAS, Ph.D., is a motivational speaker specializing in the five love languages and communication. She is a business consultant and psychologist. She recently gave a TEDx talk on the two essentials for healthy relationships. Hint: They involve a love tank and forgiveness. She is co-author (with Gary Chapman) of *When Sorry Isn't Enough* and *The Five Languages of Apology*. Her books have been translated into fifteen foreign languages and sold hundreds of thousands of copies around the world. Jennifer has a doctoral degree in Clinical Psychology from the University of Maryland, as well as a BA in Psychology and Religion from the University of Virginia. What a wonderful book! I'm so glad I read it. I recognized instantly my own apology language, and I was able to identify the languages of those around me, as well as the reasons people fail to give an adequate apology. This was so well-written and very helpful!

This book in parts was too basic but definitely had things that I needed to hear. Things to improve my apologies, things to understand myself, and things to understand others. Glad I read it.

Reviewed in the United States on February 3, 2022

"The 5 Apology Languages" is a great read for anyone wanting to improve (and anybody in their right mind wants to) their relationships. Around 190 pages, many topics are covered, including:

- The positive power of apologizing.
- The five love languages (a.k.a., people like be loved and appreciate in various ways).
- Reasons we need to seek forgiveness.
- Questions to ask yourself to help identify your preferred love language.
- Reasons why people don't apologize.

★★★★☆ **A Relationship Tool Everyone Needs**

Reviewed in the United States on February 22, 2022

In the book *The Five Apology Languages*, authors Gary Chapman and Jennifer Thomas help their readers understand the nature of apologies and forgiveness by breaking down what they call the "five languages of apology". In a similar way that Gary Chapman explains the five languages of love in his best-selling book series, this author duo brings awareness to the fact that there are several different ways that someone apologizes. These five apology languages are expressing regret, accepting responsibility, making restitution, planned change, and requesting forgiveness. Through an engaging and easy-to-understand presentation, Chapman and Thomas help us see that understanding your apology languages as well as the apology languages of your loved ones will change the dynamic of practically every relationship in your life. Using many biblical principles, his exploration of apology and forgiveness is revolutionary and timely. Including a quiz to help you determine your apology languages as well as tools to help you determine your loved ones' languages, this is a tool that everyone young and old needs to have at their disposal.
